

# ASSEMBLY INSTRUCTIONS

1. Place the four posts as shown in the picture!

2. Ask a friend for help and lift the top part as shown in the picture, then attach it using the 8 bolts and nuts included!

3. When all nuts and bolts are tightened as shown in picture 2, the product is ready for use!

Easily assembled using only 2 x 13 mm wrenches! (Not included!)

*End of assembly instructions.*
